**LINSLEY'S YOUNG ATHLETES.**  
**The Annual Field Day sports Yesterday.**  
**Some Records Broken—Alexander's Good Work.**  
 The annual field day of the students of the Linsley Institute occurred on the remodeled State Fair grounds yesterday afternoon, commencing at 2 o'clock. The contests were the best ever seen at a Linsley exhibition and were thoroughly enjoyed by the large crowd, that numbered perhaps 1,000, of which a large number were ladies who wore the Linsley yellow and red almost generally and gave to the grand stand a gaudy look. The following officials acted: Starter, George Marshall, of the Y. M. C. A.; referee, W. Ingles, of Washington & Jefferson College; judges, F. R. Huseman, A. L. Wheat, A. Johnson; timekeepers, Charles Hancher, W. J. Lukens and John Lane; chief marshal, W. Sweeney; clerk of the course, W. M. Vance; announcers, C. P. Dobbins, W. Wagner; scorer, H. C. Hazlett.  
 The first event on the programme was the 100 yard dash, in which the following contested: C. W. Alexander, A. A. Wilson, H. Bieberson, G. Hogg and L. Emsheimer. The race was a beauty, Alexander and Wilson early taking the lead from the field. However, neither of the two named could pass the other and the result was a dead heat in the first time 12 seconds. The referee ruled that a run-off was necessary and in it Alexander succeeded in defeating his opponent by the smallest of margins in 11.5 seconds, breaking the institute record, which was 11.2 seconds. The work of Wilson was surprising, as he had done scarcely any training.  
 In the junior bicycle race, one-half mile, the contestants were E. Lenkard and H. Milligan. Lenkard crossed the tape first in 1:45 1-5, very good time for the boys.  
 The standing broad jump was a spirited contest, finally won by A. A. Wilson over H. M. Robb and G. S. Johnson, second and third respectively. The winner scored 8 feet 10 inches.  
 The 220-yards dash attracted a field of four starters, C. W. Alexander, C. H. Quimby, G. Hogg and E. D. Adams. Alexander continued his victorious career by winning this event in 27 seconds flat. Adams was a close second.  
 The one-half mile bicycle race, next on the programme, was a very exciting contest, the finish being very hot, ending in a dead heat between G. Caldwell and Frank Wheat in 1:25. The other contestants were R. Smith and G. S. Johnson. In the run-off Caldwell beat out Wheat in the sprint for home, the balance of the race being the worst kind of a loaf, as the time made testifies—2:12 1-5.  
 The standing high jump was won by H. M. Robb over A. A. Wilson, the victor scoring 4 feet 4 inches.  
 In the running high kick Alexander, Robb and E. Hughes were the contestants. Alexander scored his third victory, making 8 feet 1/2 inch, breaking the institute record, which was 7 feet 3 inches, made in 1893 by Alexander.  
 The one mile bicycle race was won by Caldwell, who defeated R. Smith in 3:08. The other contestants were C. Simpson, G. S. Johnson and Frank Wheat.  
 The junior 50 yard dash was won by H. Pollock in 6.25 seconds from E. Kemple, second, and L. Emsheimer, W. Hughes and E. Lash. The institute record, 6.1, was nearly broken.  
 The running high jump was won by Robb who was unopposed. He made 4 feet 7 inches.  
 The 440 yards run was won by Alexander in 1:01 2-5. E. D. Adams finished second, with H. Bieberson and C. H. Quimby in the rear.  
 The junior running broad jump was won by Pollock with W. North in second position. Pollock scored 15 feet 6 inches.  
 The next event, putting the 12 pound shot, was captured by J. W. Johnson, 34 feet 10 1/2 inches. The other contestants were W. Caldwell, C. H. Quimby, W. Otto and P. Kuntz.  
 The 880 yard run was another victory for Alexander, who in fact won everything in which he contested. His time was 2:45. E. D. Adams finished second.  
 The concluding event on the programme was the two mile handicap bicycle race. The handicaps were as follows: Scratch, R. Smith; 20 yards, G. S. Johnson; 25 yards, F. R. Wheat; 30 yards, G. Caldwell; 100 yards, G. Simpson. The race was one of the prettiest of the afternoon. Before the men entered the stretch the field was fairly well bunched and the real fight occurred in the stretch. Caldwell sprang for all he was worth and won out. Smith, the scratch man, was second and Wheat at 25 yards was third. The time was 6:39 1-5.  
 The record of the winners by points is given below:  

Contestants.	1st.	2d.	Points.
Alexander	5	—	12
Caldwell	3	—	6
Robb	2	2	6
Wilson	1	3	5
